

Semesterticket Refund/ Exam Scholarship

Semesterticket refund

Reimbursement of the contribution share for the semester ticket from the hardship fund.

Exam scholarship for international students

for students of HAW, TUHH, HfBK, HfMT and HCU

International students who are not entitled to BAföG can receive support for the completion of their studies from state funds. However, there is no legal entitlement to this funding.

Requirements

You are expected to complete your studies within 12 months after submitting your application. Your financial situation is tense. This means that you do not have the necessary financial means to cover your monthly costs. Your family cannot support you financially and you do not receive sufficient funds from other donors, e.g. scholarships from other organisations, or BAföG.
